design portfolio: coroflot.com/designedbyjs

Jae Southerland is a queer visual artist and graphic designer from North Carolina currently living and working in Turners Falls, Massachusetts. They received an AAS in Graphic Design from GTCC in Jamestown, NC (2009), and a BA in History from UNCG in Greensboro, NC (2006). Their creative practice has included painting, zine making, sculpture, interactive installation, photography, and graphic design. More recently, they began working with tulle and other textiles to create small adornments, assemblages, sculptural pieces, and large scale site-specific installations.
